

Biographical Sketch

Prof. Dr. Tais Gorkhover
Institut für Experimentalphysik/CFEL
Luruper Chaussee 149
22761 Hamburg, Germany

Professional experience

Full Professor (W3) at University of Hamburg, Germany	from Jun 2020
Panofsky Fellow, Stanford PULSE Institute/SLAC, US	Apr 2017 – Jun 2020
Visiting Scientist, SLAC National Accelerator Laboratory, US	Jan 2014 – Oct 2016
<i>Second parental leave: from July 2016-Jan 2017</i>	
Peter-Ewald-Fellow, Technical University of Berlin, Germany	Jan 2014 – Mar 2017

Education

Graduate studies, TU Berlin/ Germany and SLAC/US	Apr 2009 - Apr 2014
<ul style="list-style-type: none">• Dr. rer. nat. degree, summa cum laude ("with distinction") <i>pioneered coincident ion spectroscopy and coherent X-ray diffraction imaging on single nanoparticles (supervisor Prof. Thomas Moeller)</i>• <i>First parental leave: from Dec 2012 to November 2013</i>	
Undergraduate studies in TU Berlin, U Augsburg (Germany)	Apr 2002 - Apr 2008
<ul style="list-style-type: none">• semester abroad in Universidad de Sevilla, Spain• <i>setup and simulation of an efficient source of ultracold atoms (supervisor Prof. A. Peters)</i>	

Awards and Fellowships

European Research Council Starting Grant	Dec 2021
Professorship "Ruf" from University of Hamburg	Dec 2018
LCLS Young Investigator Award	Sep 2018
DOE Early Career Award (4-8% acceptance rate)	Jun 2018
Panofsky fellowship from SLAC (2 awarded out of 200 applications)	Apr 2017
Peter-Ewald-Fellowship from the Volkswagen Foundation	Nov 2013
Best Poster Prize at 503 rd WE-Heraeus-Seminar	Apr 2012
Heinrich-Böll Foundation "Begabtenförderung" Fellowship	Mar 2005
